da States... Team Form

Stoked you are making a team for da States... This is a new endeavor for us but one we hope will grow a life of its own within our fun event. Please fill out the form below and return it with your team info so that we can register you. The cost is the same as any other class. Each team must have (1) Vet rider, (1) Two Stroke rider, and (1) Female. Vet rider needs to be 30 years old as of 5/28/11. The Two Stroke rider can be anyone on a 125cc machine or higher. Female, well, you know... Two (2) Team members should reside in the same state they are representing. Lastly. Each team is responsible to make your Team T Shirt – this will be the “baton” that will be passed (worn) from rider to rider during the race. You will only need one, but make as many as you like. Maybe your fans will wear them to cheer you on. Size choice is yours (bigger is better, think about getting it on and off) but shirts must have sleeves (short is ok) and cannot be cut (neck, sleeves, waist, etc) Don't forget to pick your color choice here. We will assign you a number – after getting your registration. Team name must be on the front, the number we assign you on the back. Have at it!

VENTING RELEASE & PROMISE NOT TO WHINE AGREEMENT

I acknowledge that motocross races are subject to a multitude of different opinions. I understand that the officials and flaggers are out there sweating their tails off sacrificing a day's worth of riding so that I may compete. I also respect the hard working efforts of the event and track crews that have slaved to make this a killer event, not to mention the photographers and video guys that are making me look so good, which by the way, I give full permission to any of the above mentioned to exploit any and all of my images for their own personal gain, *as if I were that good anyway*. Additionally, I greatly appreciate the sponsors kicking down good money to help finance the sport that I love, and often take for granted. I realize that there are no refunds made, **EVA**, and happily encourage anybody to profit off my sorry ass. I understand that the officials are always right, and I am not, so I willingly accept any and all decisions made by the officials, event crew, and anyone else more important than me. **I am scum**. So, in order that we may all enjoy ourselves and have fun, I promise not to whine, cry, throw a hissy, tattle, or otherwise complain about the outcome of any part of this event Rock on!

So do I swear _____ Date: _____
